

J. RAYNER & SONS LTD: EXPERTS IN FARMING

The Rayner family provides land owning and farming clients with the highest level of farm management and technical advice. Firmly focused on profitable farming, the Rayner family services allow landowners and tenants to retain the ownership of their farming assets whilst enjoying a secure income.

The Rayner family now farms over 2000 acres for a number of landlords, we are passionate about farming and improving the environment. We specialise in restoring land to arable farm use after land filling operations.

The Rayner family are proud to support Royal East Berks Agricultural Association and have been members since 1979, including hosting a number of ploughing matches at Stubbings Farm.
